Fundraising for the CIBA Foundation is conducted year around. This is necessary if we are to continue to fund so many worthwhile bicycle related programs and projects. This effort is emphasized during the last quarter of each year, the traditional giving period. Please consider donating generously to the CIBA Foundation during this Annual Fundraising Campaign. You may do this on-line through our PayPal account at www.cibafoundation.org or by mailing a check to us with the form on the reverse side of this brochure. Thank you!

The CIBA Foundation is a charitable organization formed and supported by the Central Indiana Bicycling Association. CIBA, a bicycle club with more than 1,000 members, initially funded the Foundation to provide its members and other interested parties with a method for giving back to the cycling community. The CIBA Foundation and CIBA are governed separately, each with its own officers and directors.

Since its inception in 1996, the CIBA Foundation has disbursed $521,540 in 336 different grants to cycling organizations primarily in Central Indiana.

It is our hope you will consider making a gift to the Foundation so it can continue to help organizations working to promote the benefits of safe bicycling.
